

St. John of Damascus Silver Jubilee

*Celebrating 25 Years at West Street
October 2-3, 2010*

For the past 25 years, the Church of St. John of Damascus has been calling West Street in Dedham home. As a parish we have journeyed from our humble beginnings on Hudson Street, to our expanded facility on Museum Road and finally arriving at our beautiful parish complex on West Street in 1985. Come celebrate this milestone with your friends, family and fellow parishioners on October 2nd & 3rd, 2010.
